

Quality of Life Information Series

Improving your quality of life through knowledge

February 18, 2010 - 6:00-7:00 pm

TOPIC: U.S. Census

Location: Blue Hills Resource Center, 5309 Woodland, KCMO

Learn about the 2010 Census that is coming our way in April and the activities to lay the groundwork for the nationwide effort to count everyone residing in the United States are visible across the country. 2010 Census data inform critical decisions from congressional representation to the allocation of more than \$400 billion annually in federal funds.

March 18, 2010 - 6:00-7:30 pm

TOPIC: CPTED & Safety Workshop

Location: Beacon Light Church, 4841 Paseo, KCMO

KCPD will discuss Crime Prevention Through Environmental Design. CPTED is a useful tool for residential home owners and renters to help prevent your home from becoming a target for burglary, vandalism, home invasion or various other property crimes. Please RSVP for this event by contacting Leigh @ 816.333.7870 ext.203 or email: Leigh@bhcsmo.org. Dinner & materials will be provided.

April 15, 2010 - 6:00-7:00 pm

TOPIC: Block Contact Training

Location: Blue Hills Resource Center, 5309 Woodland, KCMO

If you are new to the BHNA Block Contact Program or interested in becoming a block contact in Blue Hills, please attend this informative training. KCPD and Neighborhood & Community Service Department of KCMO will discuss crime prevention, block watch training & how to handle suspicious activities in your neighborhood.

This FREE series is sponsored by:
BLUE HILLS COMMUNITY SERVICES, www.bhcsmo.org
Refreshments & materials will be provided!
